

It's a place on the water

A home on the dike is just one of the attractions of Waterstone Pier residency in Richmond. Next door to the development is the Riverport Sports and Entertainment Complex, meaning once home, the Waterstone Pier resident need not leave, groceries bought. Riverport amenities include the 19-screen Silver City cinema; the six-arena Richmond Ice Centre; Watermania, an aquatic and fitness centre; a basketball and indoor skateboard park building; an indoor playground; and three restaurants. With the first residents now moving in to their apartments on the south arm of the Fraser River, Bob Rennie, the organizer of the new-home project's sales campaign, thought Westcoast Homes readers might want to know homes ready for occupancy later this year are still available.
